Kirsty's Kids has funded special kids camps and new much needed equipment for organisations including (CHAS, Special needs schools and children's organisations across the UK. Helping to provide special summer camps for kids with short life expectancy or serious life limiting illnesses.

The around UK bike trip, in 2011, was so successful that John, Chair of KirstysKids.org, realised that the trip inspired so many people, showing what could be achieved on such a small bike with very limited funds; helping young kids give up drink and drugs by taking up fundraising challenges and getting involved in voluntary work through helping Kirsty's Kids. He has now decided to set off on another endurance challenge.

Heading off from the Scottish Highlands to Moscow, Russia, on the 4 July 2013.

The route — Holland, Norway, Sweden (the most northerly tip of Europe) across Russia into Moscow. Returning via Estonia, Latvia, Lithuania, Poland, Germany, France up through England and home to the Highlands.

John will living by the roadside while travelling on the tiny 10hp Honda 125cc motorbike. Over 8,000 miles in 4 weeks to raise £15,000 for KirstysKids.org.

No fund raising money will be used to finance the trip.
